

Jay Mui **PMP, MBA**

Supervisor, Risk & Advisory Services
GRF CPAs & Advisors

Jay Mui is a supervisor at GRF CPAs & Advisors with over 16 years of professional experience. Mr. Mui is in support of the RAS team goals of delivering comprehensive risk-based assessments to help organizations respond to strategic, financial, compliance, operational and IT risks.

Prior to joining GRF, Mr. Mui spent 5 years in Consolidated Edison Inc., responsible for overseeing the Project management and ERM governance of a billion dollar capital improvement portfolio. His career also includes 11 years in private defense at Northrop Grumman as a program analyst, planning billion dollar naval programs and monitoring earned value U.S. Navy contracts.
